Experience

Entrega Systems Group, Inc.

10/2021 - Present

Frontend Developer

Troy, MI, USA

TypeScript [JavaScript](#) [Angular](#) [React](#) [Vue](#) [AEM](#) [Edge Delivery Service](#) [SharePoint](#) [Mocha](#) [Selenium](#) [Razor Pages](#)

.Net Core

- Supported and enhanced B2B platforms for General Motors and their dealer network.
- Maintained and updated the GM Shop Click Drive internal tool for managing dealer information.
- Modernized client-facing experiences, including:
 - Redesign and relaunch of a law firm portfolio site.
 - Updates and improvements to a company portal page.
- Managed and enhanced GM's AEM and SharePoint ecosystems:
 - Updated and migrated internal SharePoint sites from SharePoint 2016 to SharePoint Online (SPO).
 - Migrated GM websites from AEM on-premise to AEM Cloud, leveraging Edge Delivery Services and document-based authoring.
- Designed and implemented a real-time broadcasting widget using WebSockets, integrating with third-party APIs.

Hiqo Solutions

09/2019 - 05/2021

Frontend Developer

Minsk, Belarus

TypeScript [Angular](#) [Firebase](#)

- Built and maintained internal frameworks and tools using JavaScript, improving development efficiency for company-wide use.
- Developed a team engagement and client collaboration platform for Accenture:
 - Optimized WebSocket connections for real-time updates.
 - Engineered a dynamic form constructor for highly interactive user experiences.
 - Integrated external media (presentations, videos, interactive elements) seamlessly into the platform.
- Designed and deployed Firebase Cloud Functions to handle business logic.

- Designed and implemented a post-COVID office management system for employees:
 - Integrated with internal employee databases for centralized management.
 - Developed authentication workflows and workstation booking features.

Education

Bachelor of Science in Information Technology

09/2016 - 07/2020

Belarusian State University of Informatics and Radioelectronics

Angular - The Complete Guide

06/2025

Udemy.com - course by Maximilian Schwarzmüller

Complete React Developer (w/ Redux, Hooks, GraphQL)

03/2024

Udemy.com - course by Andrei Neagoie, Yihua Zhang

Complete Web & Mobile Designer: UI/UX, Figma

04/2024

Udemy.com - course by Andrei Neagoie, Daniel Schifano

Vue - The Complete Guide

09/2023

Udemy.com - course by Maximilian Schwarzmüller

Node with React: Fullstack Web Development

02/2022

Udemy.com - course by Stephen Grider
